Sept 2021 – Aug 2024

University of California, Irvine

- Relevant Coursework: Environmental Law & Policy, Urban Design Policy, Food & Water Systems, Poverty & Inequality, Urban Politics & Policy, Remote Sensing, Environmental Data Science, GIS Software (ArcGIS, QGIS)

PROFESSIONAL EXPERIENCE

Director of Technology – Board Member

Jul 2023 – Present

United Nations Association, Orange County

Elected Board Member, Jan 2026 – Present

- Redesigned the chapter's Squarespace site (una-oc.org) with the Board President and fellow Directors, refreshing the layout and UI with custom CSS, reorganizing site content, and featuring upcoming events on the homepage
- Set up an automated email sign-up form and integrated it across the website to grow the mailing list
- Administer the chapter's Google Workspace, managing organizational email accounts and shared drive infrastructure
- Run the chapter's email marketing and event promotion, including member communications and flyer distribution
- Lead AV and technical operations for in-person and hybrid events, including Zoom setup and speaker presentations, for high-profile events such as the UN Day Gala and UN Human Rights Day (2023–25) with 40–150 participants
- Manage event registration and member data, including Eventbrite ticketing, RSVP tracking, and transfer of event revenue to the organization
- Coordinate community engagement events on global affairs, sustainability, and international policy, including the 2024 UNA-OC Women's Day event and the Annual Great American Write-In
- Supervise and mentor an intern

Associate

Aug 2025 – Present

In-N-Out

- Deliver high-quality customer service in a fast-paced environment while maintaining strict adherence to food safety standards

- Collaborate with team members to ensure smooth operations during peak hours, consistently meeting performance expectations

Policy Intern

Apr 2024 – Jun 2024

The Kennedy Commission

- Synthesized diverse datasets to analyze policy impact, generating insights crucial for organizational decision-making on affordable housing issues
- Prepared comprehensive policy reports presenting findings and recommendations to support informed legislative discussions
- Created data visualizations for presentation to public officials and local stakeholders, translating complex data into actionable intelligence

Crew Lead

Sept 2022 – Aug 2024

UC Irvine, Student Center & Event Services

- Led crews of up to 20 staff members, orchestrating large-scale events for gatherings of up to 1,500 participants
- Assumed full operational responsibility for professional audio-visual services during morning, evening, and weekend shifts in the absence of career staff

Sales Associate

Aug 2021 – Sept 2021

Macy's Inc.

- Assisted customers with product selection and transactions while meeting sales goals in a fast-paced retail environment

R E S E A R C H & A N A L Y S I S

Undergraduate Researcher

Jun 2020 – Jul 2024

University of California, Irvine & UNDP

- California Rainfall Anomalies: Analyzed the interplay between anomalous weather events, temperature fluctuations, and statewide precipitation patterns
- Gulf of Mexico Sea Temperature Study: Utilized data from USGS, NASA OceanColor, and EarthDATA to examine the correlation between sea surface temperature and chlorophyll-a concentration
- Supported research and data analysis on the Fourth Industrial Revolution and AI's potential impact on multilateral development policy at the UNDP Seoul Policy Center
